

Your community members keep your collection point clean. Please follow waste sorting guidelines.

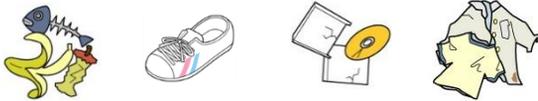

Dear New Residents

英語

Please sort out your waste into **6 categories**.

Trash must be placed out on the correct collection dates and the collection point. Your collection day will vary depending on where you live. Ask your residents' association or your apartment building manager for the location of the collection point. Your trash must be placed out at your collection point by 8:30am on the collection day. Do not place out your trash the night before.

Burnable trash: Trash must be placed out at the burnable trash collection point on the correct burnable trash collection dates.

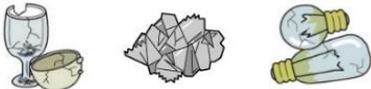

Food waste, tissues, shoes, CDs, dirty clothing, etc.

Use city yellow trash bags

Non-burnable trash: Trash must be placed out at the non-burnable trash collection point on the correct non-burnable trash collection dates.

Glass items, plates, aluminum foil, LED/incandescent lightbulbs, etc.

Use city blue trash bags

Large trash: Trash must be placed out at the non-burnable trash collection point on the correct non-burnable trash collection dates.

Furniture, branches, sofas, strollers, futon, carpets etc.

Attach a trash disposal ticket per item

Attach a ticket to trash that is too big to fit into a city yellow or blue trash bag.

Plastic containers and packages: Trash must be placed out at the correct burnable trash collection point on Saturdays.

Noodle cups, bread wrappers, shampoo bottles, etc. with the plastic mark stated on the left.

Use transparent or semitransparent plastic bags

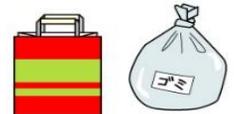

Mixed papers: Trash must be placed out at the correct burnable trash collection point on Wednesdays.

Receipts, envelopes, paper boxes, etc.

Place in a paper bag or a transparent or semi-transparent bag

Recyclables/reusables: Trash must be placed out at the correct trash collection point on the correct collection dates.

Note: Both recyclables/reusables are categorized as recyclables. Same items can be collected for recyclable and reusable waste collections.

Waste collection which is conducted by a residents' association is called "reusables waste collection."

Follow the disposal guidelines

- Newspaper, magazines, flattened cardboard → Tie up with string
- Food glass jars, cans, PET bottles → Use transparent or semitransparent plastic bags

- Sort your waste properly.
- Tie up the same types of items together.

Note: City trash bags and trash disposal tickets are available at convenience stores, drugstores and some grocery shops in the city.

Note: The city does not collect some waste items. Please check the trash-sorting app. for more information. Please download the app from here. ▶▶▶▶▶
