

**It starts in December**

**Classification collection of Plastic containers and packaging**

**(Waste classification)**

**Classification collection of Plastic containers and packaging will start from Dec.3 2016**

**★Collection Day ? : Every Saturday by 8:30AM !**

※Please do not place your bags on Dec.31(Sat.), because it is not collected.

**★Main Items ? : Plastic containers and Packaging**

Except Pet Bottles/White Food Trays

**Things with this “Pla-mark” !**

**★How to Dispose★**

- Place your bags at the same pick-up stations(collection sites) as burnable waste by 8:30AM.
- Use transparent/semi-transparent plastic bags. Transparent/semi-transparent plastic super market bags are acceptable.
- Do not pack the small waste bags into the large bags.
- Before disposal, wash and rinse the empty container and let dry it.
- Do not dispose the thing the dirt is not removed. Dispose as burnable waste.

**★For Waste Reduction ! !**

Let's reduce the remains of a meal !

◆Classification collection of Plastic containers and packaging.

◆Drain liquid completely before disposal.(after squeezing it)

◆Classification collection of Cloth/Non-burnable Garbage.

※Please ask about Waste Classification to Reduction Section of Kofu City Hall.

※If there is a request, the staff of waste collection will visit to explain about Waste Reduction.
